DEVELOP YOUR PRACTICE

Does your mind race?
Is it judgmental?
Still the mind from its
endless quest to redirect
and judge. Access inner
tools and those gifts that
are all about you. They
await your engagement.
Know that you are not
your mind.

LET UNIVERSE KNOW YOUR DESIRES IN A
WAY OF OWNERSHIP. THIS IS YOUR
RIGHT TO KNOW. It's Why You Are Here...

the Elders

The surrender

component is key for you cannot see or know all in this life. Release beliefs to allow new insights and their understandings to become known.

Be Present

Release judgmental
thoughts

REFRAME THE NEGATIVE

Do you feel bad about something you're not able to move beyond?

Maybe it's time to feel and release this stuck energy.

Look at those negative occurrences differently as perfection is not sought here. These unwanted nuances are merely the means to know what is or *is not* preferred. They help you to navigate your life journey.

If you want to stop the mental loop from playing in your mind's eye, see value in each thing that has come before. Might you look again?

BE
GENTLE
& KIND

The Law of Attraction is real. Harbor only those things you prefer to attract *more of*.

All is drawn to you by the energy you keep. It is a mirror that reflects back what you cannot see. Locate energy nestled within in this way. See the mystery and wonder that awaits discovery.
